ClearView LifeSolutions Super Rollover Annual Statement, period ending 30 June 2023

Correction to 10-year return rate

In the recent Annual Statement for the period ending 30 June 2023 sent to members holding an interest in ClearView LifeSolutions Super Rollover, the compound average effective rate of net earnings for the period of 10 years was incorrect.

Below we have updated the information to include the correct rate for 10 years to 30 June 2023.

Investment option	Inception date	Since inception %	5 years %	10 years %
ClearView Life Super Cash Fund	2 Dec 2011	0.63%	0.31%	0.43%

Returns are reported at the investment option level and are not individual investment returns. All investment returns shown are post fees and taxes. Past performance is not an indication of future performance.

The ClearView Life Super Cash Fund, a cash and short-term securities investment option, is the ClearView issued life investment policy for which units are issued when paying by rollover.

Please refer to the ClearView LifeSolutions Super Rollover Product Disclosure Statement and Policy Document (**PDS**) and Rollover Additional Information for more information about how your money is invested. You can find the relevant PDS on our website clearview.com.au/pds.
