

ClearView ClearChoice PDS update

Effective 26 April 2026

This Product Disclosure Statement and Policy Document (**PDS**) Update relates to the ClearView ClearChoice PDS dated 13 May 2024 which includes the policy terms and conditions, provides information about two separate financial products:

- A life insurance product, ClearView ClearChoice issued by ClearView Life Assurance Limited (ClearView); and
- A risk-only superannuation interest, ClearView ClearChoice Super issued by HTFS Nominees Pty Limited (Trustee).

This PDS Update forms part of the policy terms with effect from 26 April 2026 and should be read together with the PDS. 'We/us/our' refers to ClearView, except where reference is specifically to the Trustee as issuer of ClearView ClearChoice Super. 'You/your' refers to the person insured or the policy owner, as the context requires. If you have cover in ClearChoice Super, 'you/your' refers to the person insured as a member of the Fund.

Why is the PDS being updated?

We have updated our explanation of Premium Refunds for greater clarity, improved flexibility in how you can structure Accidental TPD Cover and increased the maximum entry age for Trauma Cover.

Product	Updated items	Summary of the change
ClearView ClearChoice and ClearView ClearChoice Super	Premium refunds	Provide clarity on when premium refunds may be offset against future premium
ClearView ClearChoice and ClearView ClearChoice Super	Linked Accidental TPD Cover	Allow Accidental TPD to be linked to Life Cover
ClearView ClearChoice	Trauma Cover	Maximum entry age increased to age 63

The table below provides the updated term that apply in full to the PDS effective 26 April 2026.
